Welcome to the Excellence Club Aerospace Awards 2021

Dear Partners,

In 2021, the Excellence Club Aerospace is proud to organise the first edition of the Aerospace Awards, a prestigious annual event dedicated to innovation and entrepreneurship spirit.

Since the establishment of our organisation in 2018, several aerospace companies have partnered with us, contributing to strengthen our global network. We strongly believe in the benefits an event like the Aerospace Awards can bring to the aerospace community: this is the reason why we are delighted to open our event to all actors from innovation domains, official organisations, medias and worldwide aerospace companies.

Up to 300 representatives are expected to attend the Excellence Club Aerospace Awards, representing a wide panel of aerospace companies. Also attending are top executives, CEOs, CTOs, managers, researchers, engineers...

We look forward to having you onboard for this exciting adventure! Registering as a Business Partner to the Excellence Club Aerospace Awards is your pass to attend the event as a privileged member:

- Meeting with innovation experts and decision makers in a prestigious and convivial atmosphere.
- Increasing your brand awareness and add visibility to your business in the International, local and national Press.
